

Top Markers for Homeostatic/stress-response microglia

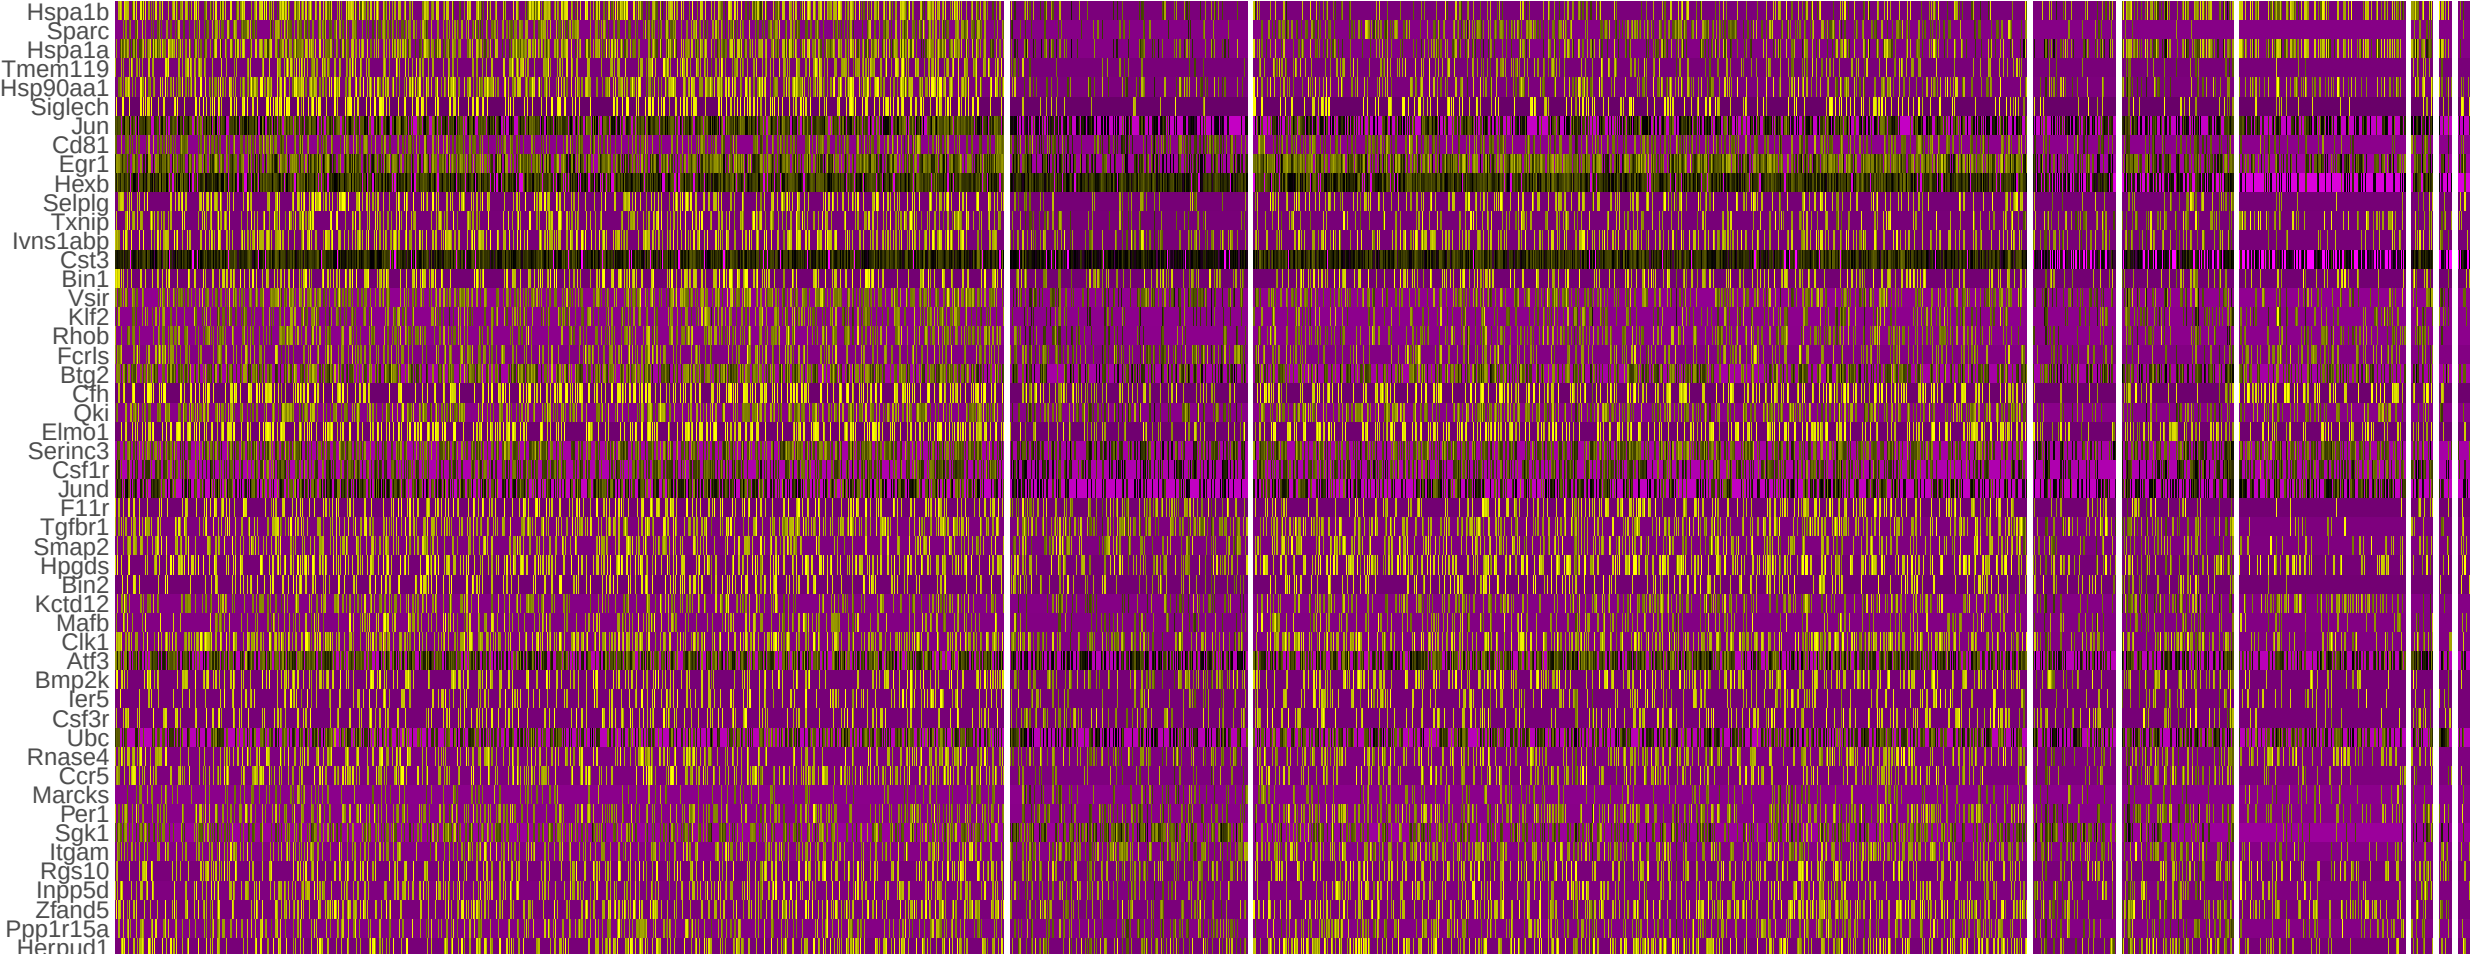

Homeostatic/stress-response microglia
Phagocytic microglia
Activated microglia
Lipid-associated macrophages
Antigen-presenting macrophages
Perivascular macrophages
Interferon-responsive macrophages
Monocytes
Neurons

Expression

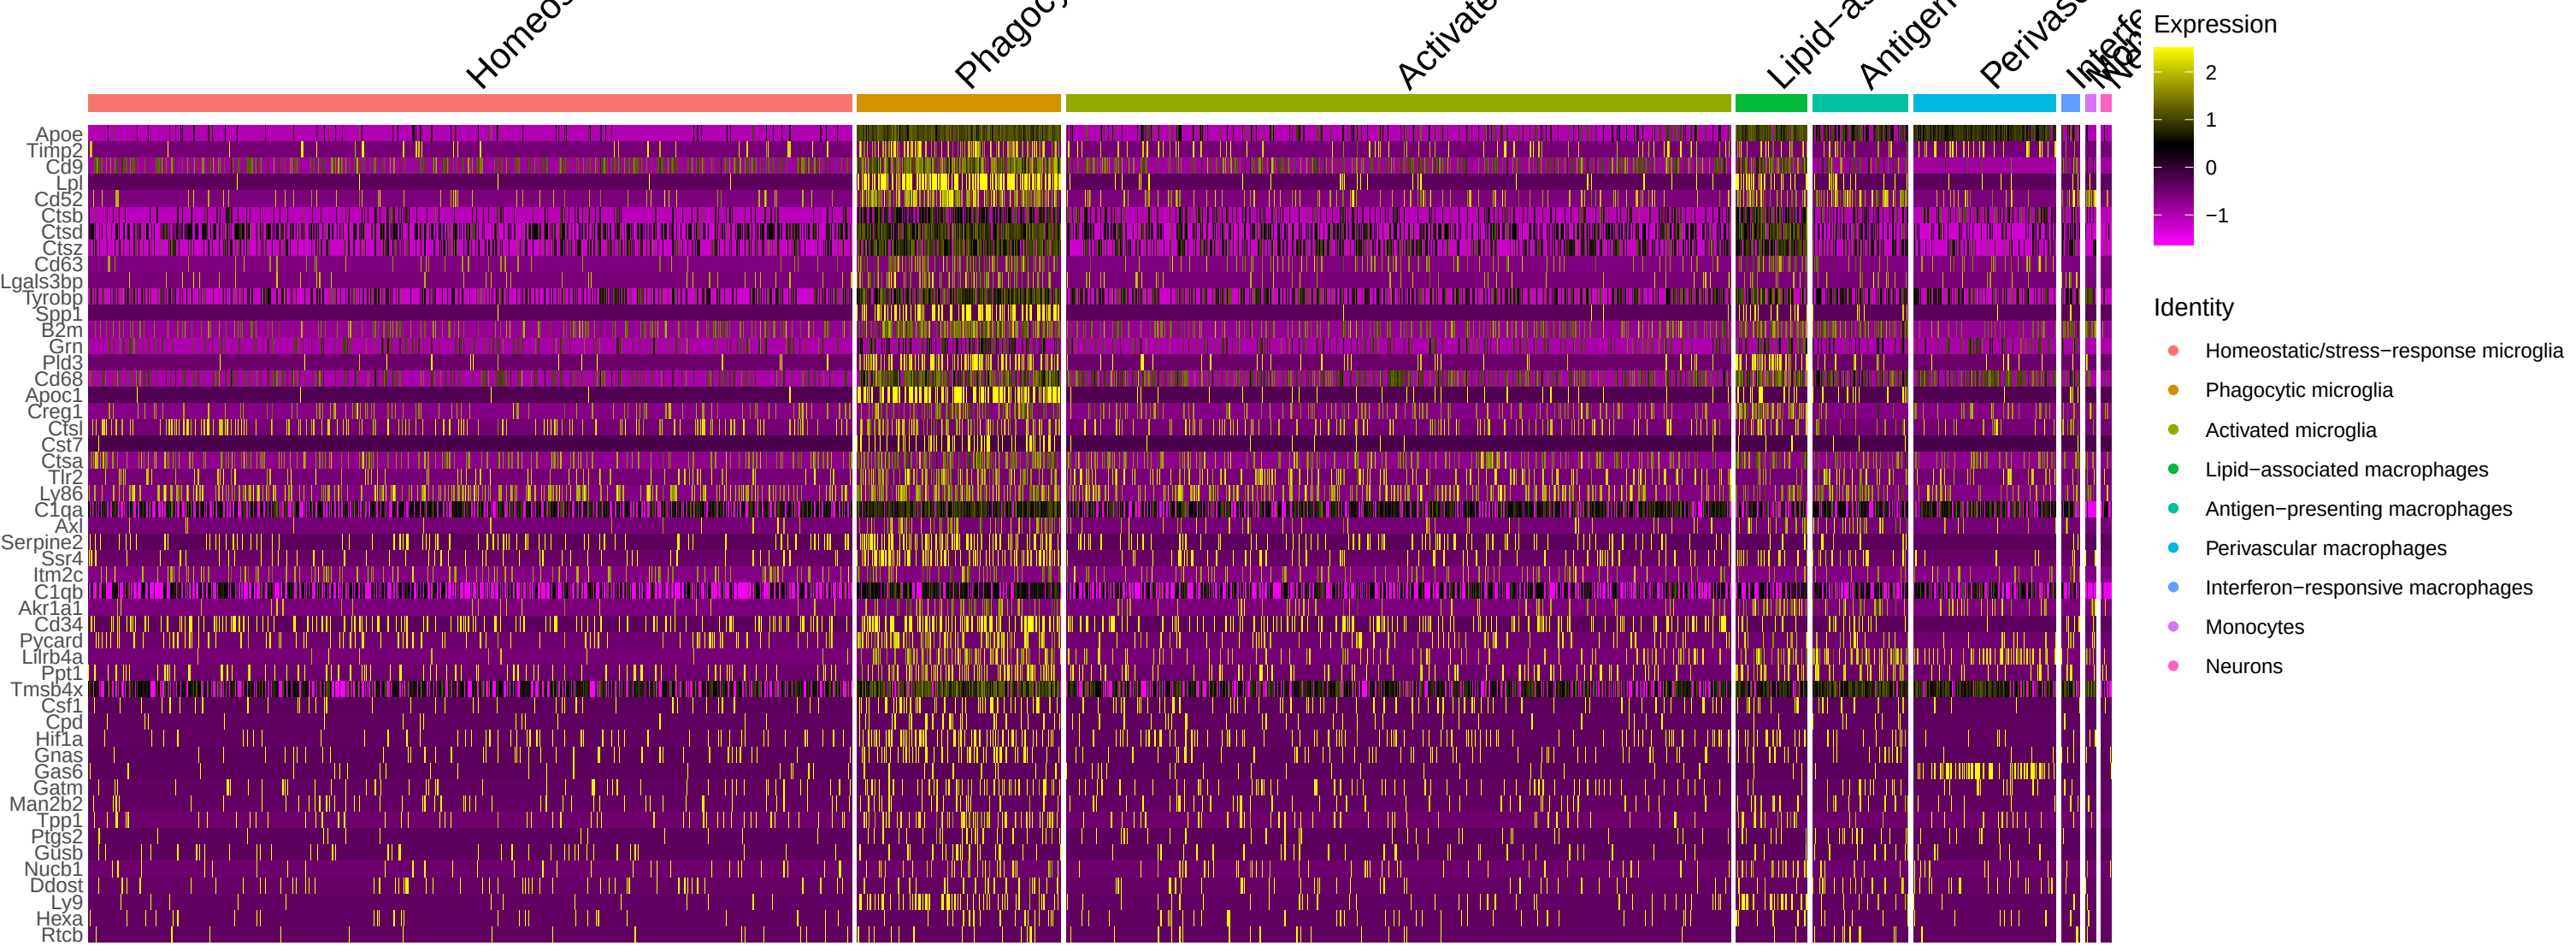

Identity

- Homeostatic/stress-response microglia
- Phagocytic microglia
- Activated microglia
- Lipid-associated macrophages
- Antigen-presenting macrophages
- Perivascular macrophages
- Interferon-responsive macrophages
- Monocytes
- Neurons

Top Markers for Phagocytic microglia

Homeostatic/stress-response microglia Phagocytic microglia Activated microglia Lipid-associated macrophages Antigen-presenting macrophages Perivascular macrophages Interferon-responsive macrophages Monocytes Neurons

Top Markers for Activated microglia

Homeostatic/stress-response microglia

Phagocytic microglia

Activated microglia

Lipid-associated macrophages

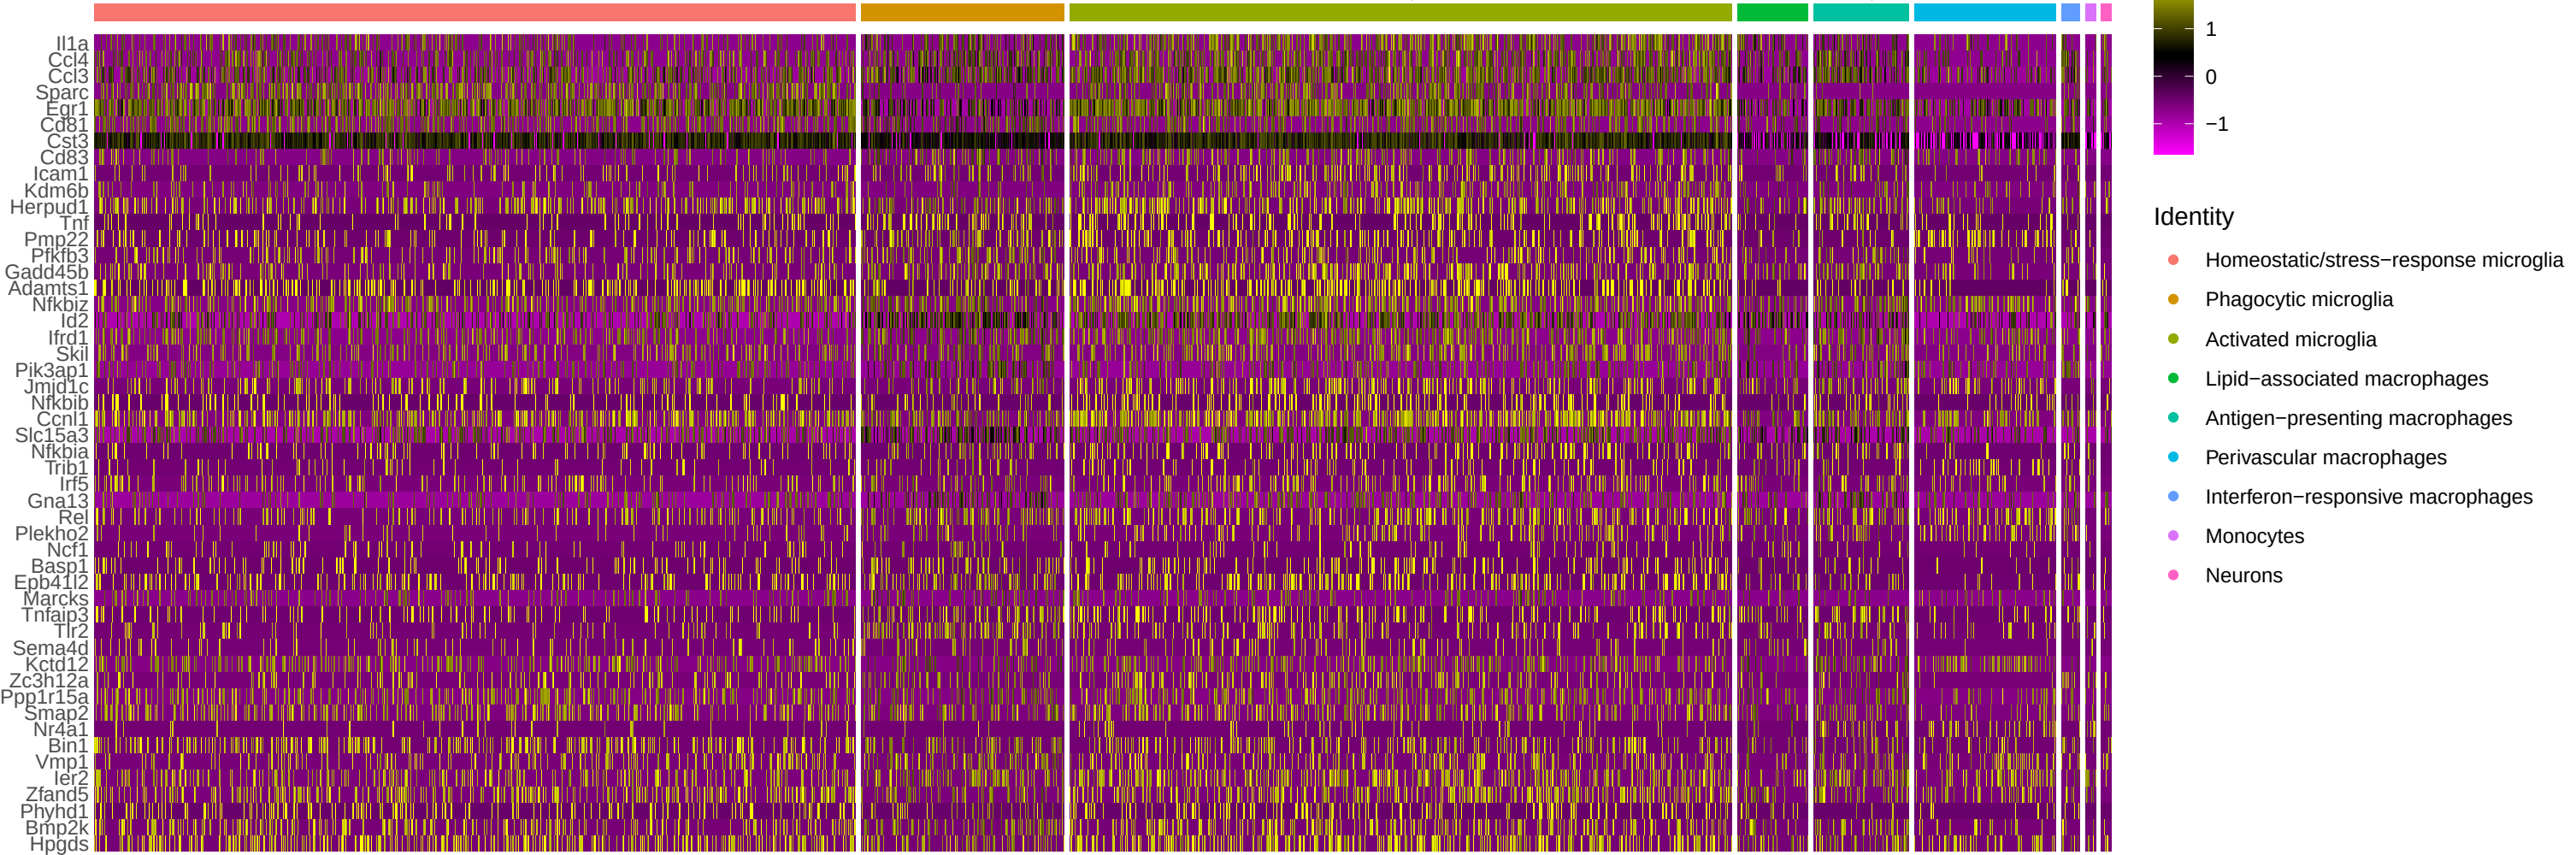

Antigen-presenting macrophages

Perivascular macrophages

Interferon-responsive macrophages

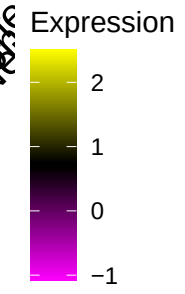

Monocytes

Neurons

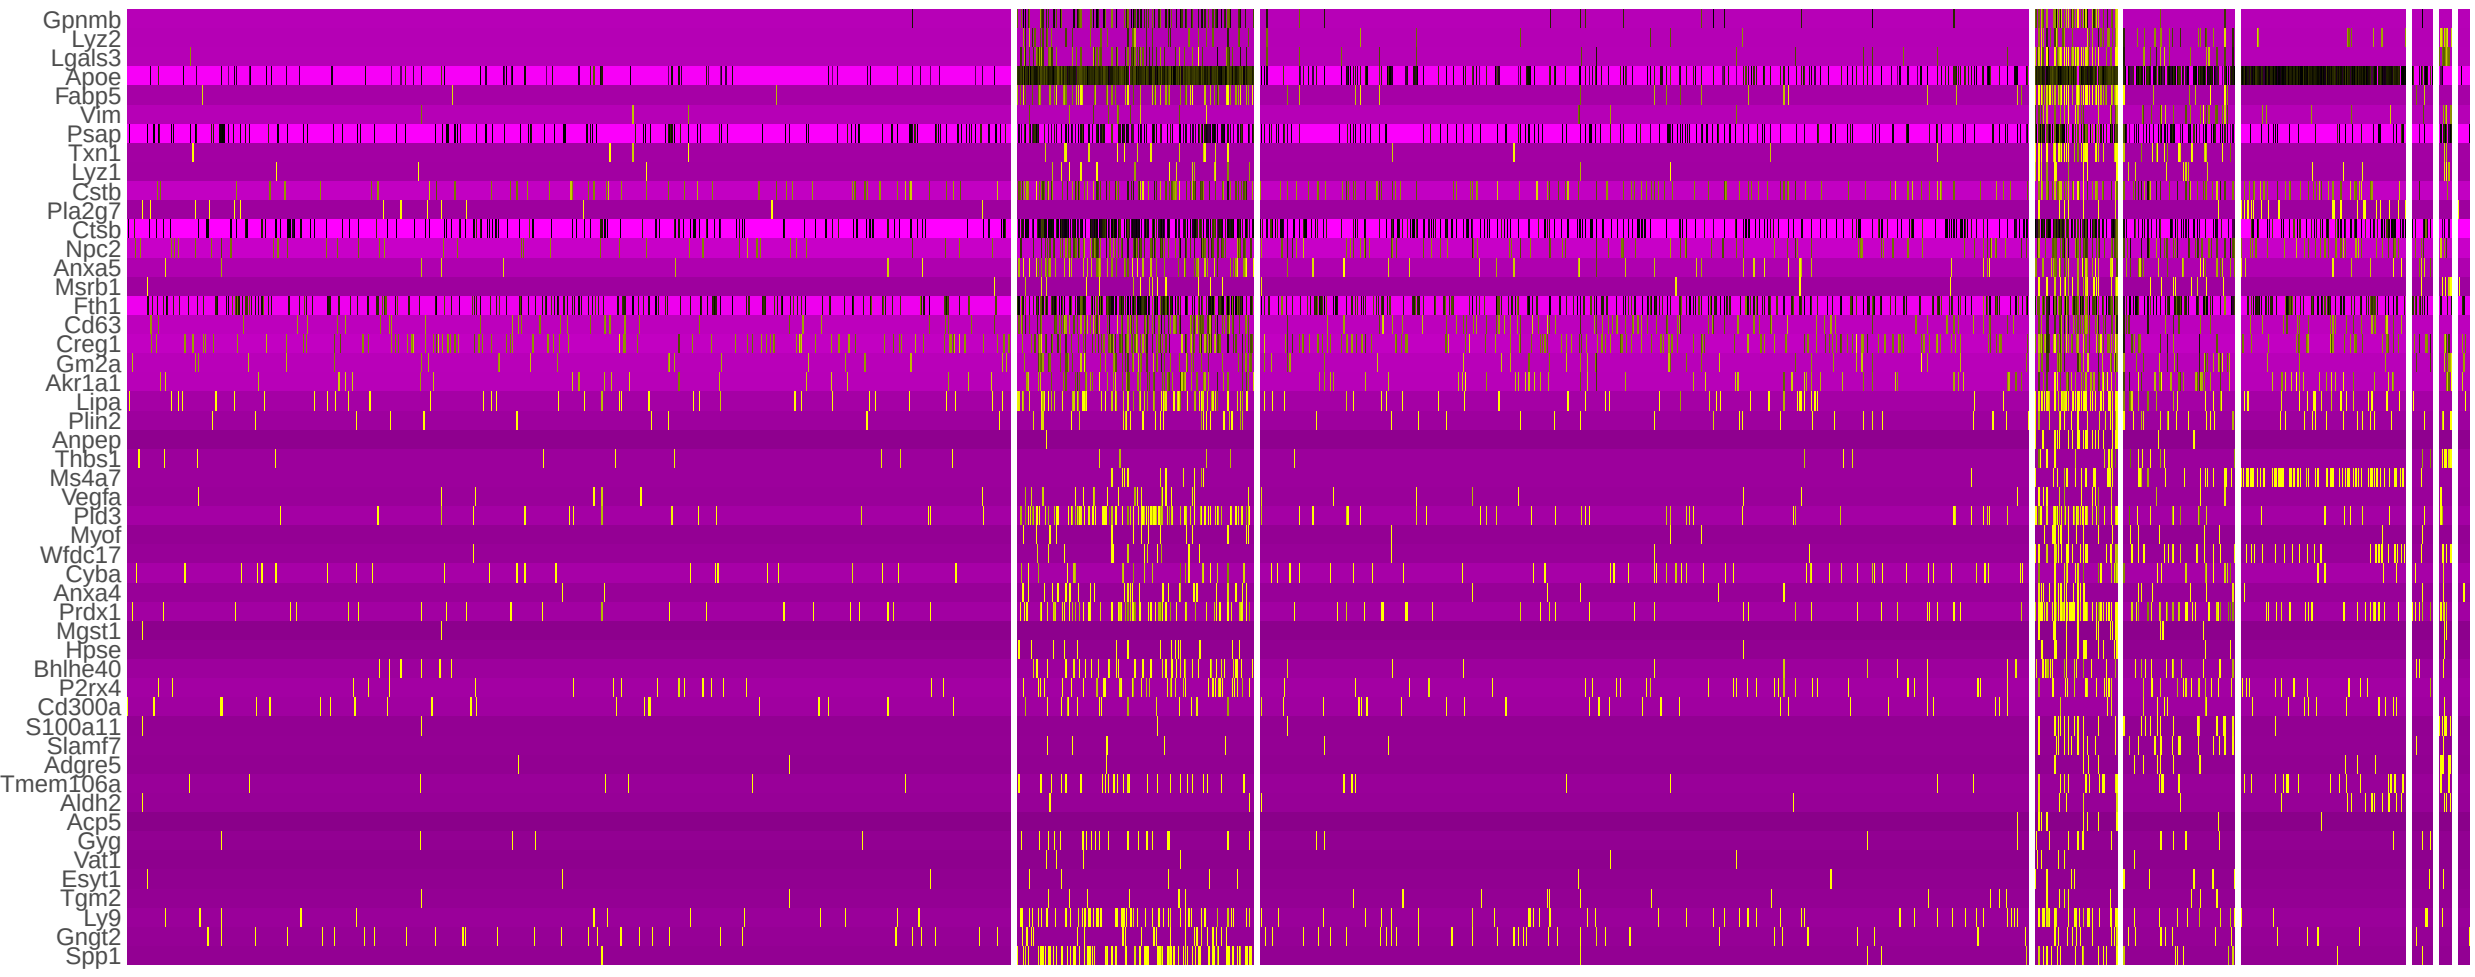

Top Markers for Lipid-associated macrophages

Homeostatic/stress-response microglia
Phagocytic microglia
Activated microglia
Lipid-associated macrophages
Antigen-presenting macrophages
Perivascular macrophages
Interferon-responsive macrophages
Monocytes
Neurons

- Identity
- Homeostatic/stress-response microglia
 - Phagocytic microglia
 - Activated microglia
 - Lipid-associated macrophages
 - Antigen-presenting macrophages
 - Perivascular macrophages
 - Interferon-responsive macrophages
 - Monocytes
 - Neurons

Top Markers for Antigen-presenting macrophages

Homeostatic/stress-response microglia

Phagocytic microglia

Activated microglia

Lipid-associated macrophages

Antigen-presenting macrophages

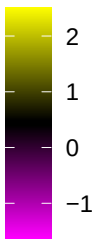

Perivascular macrophages

Interferon-responsive macrophages

Monocytes

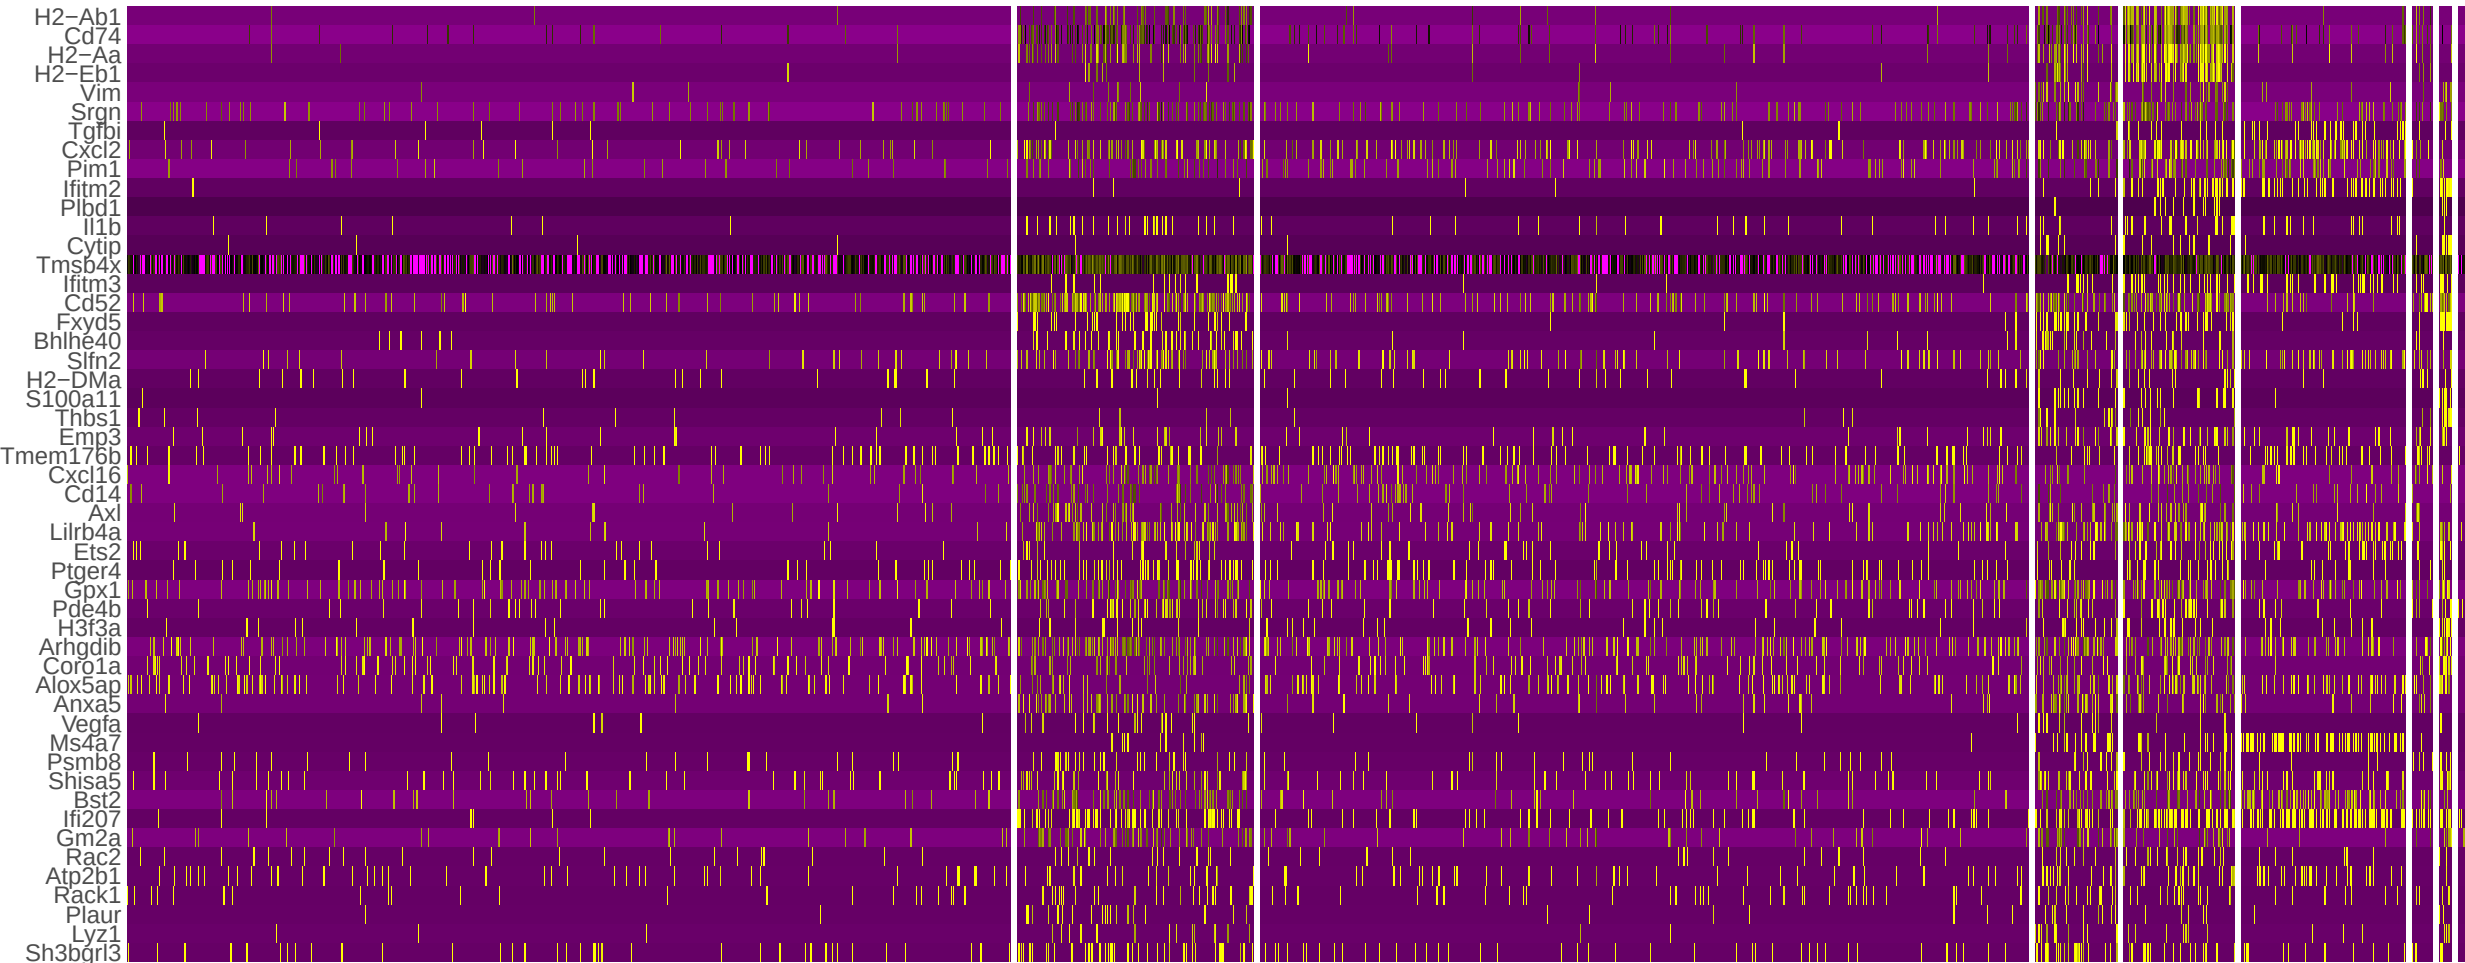

Neurons

Expression

Identity

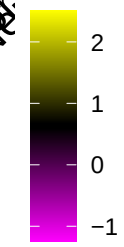

- Homeostatic/stress-response microglia
- Phagocytic microglia
- Activated microglia
- Lipid-associated macrophages
- Antigen-presenting macrophages
- Perivascular macrophages
- Interferon-responsive macrophages
- Monocytes
- Neurons

Top Markers for Perivascular macrophages

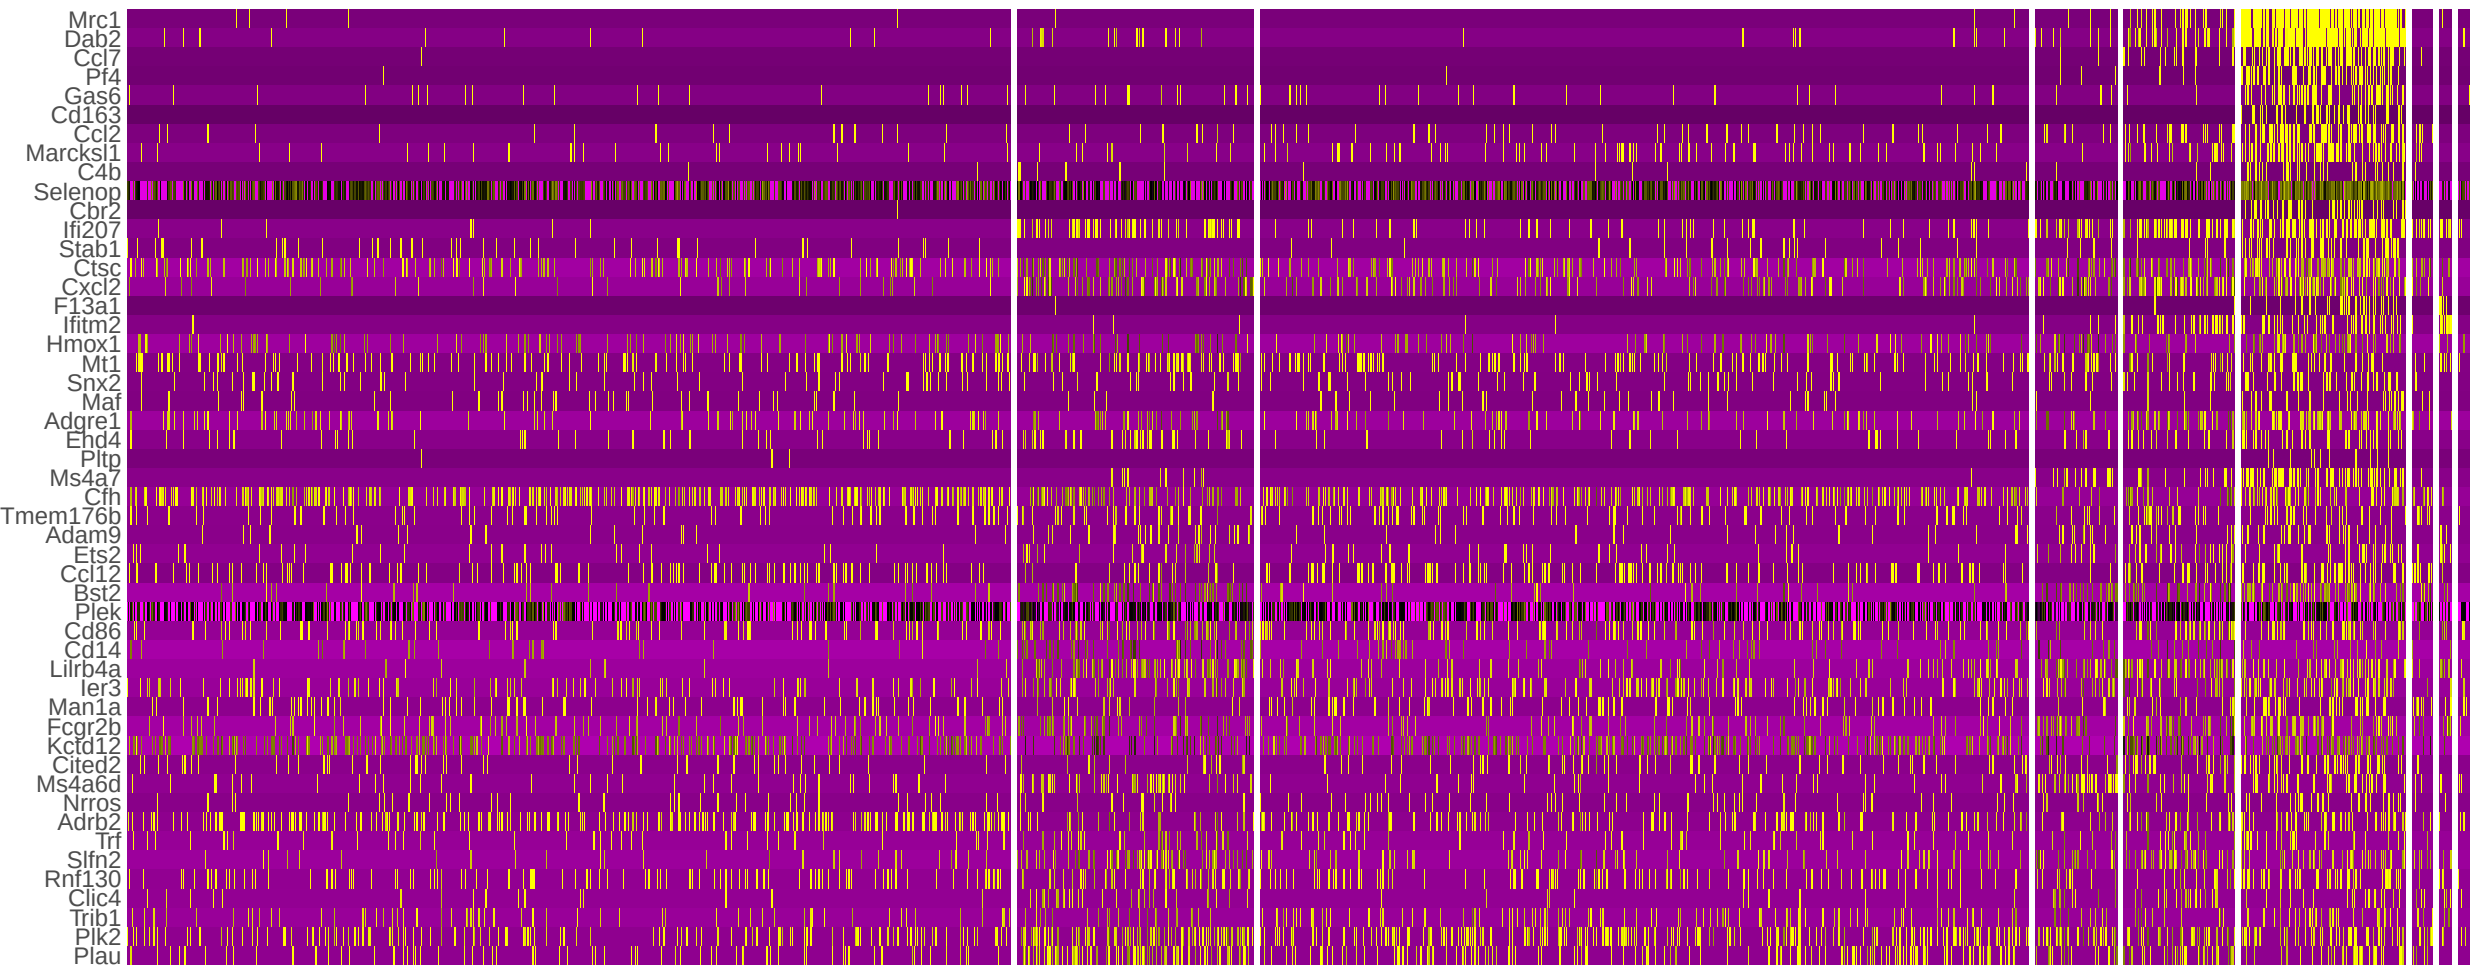

Homeostatic/stress-response microglia
Phagocytic microglia
Activated microglia
Lipid-associated macrophages
Antigen-presenting macrophages
Perivascular macrophages
Interferon-responsive macrophages
Monocytes
Neurons

Expression

Identity

- Homeostatic/stress-response microglia
- Phagocytic microglia
- Activated microglia
