

Top Markers for Early activated microglia

Early activated microglia

TAM-like phagocytic microglia

Stress-response microglia

Inflammatory activated microglia

Angiogenic TAMs

Antigen-presenting TAMs

Homeostatic microglia

Perivascular microglia

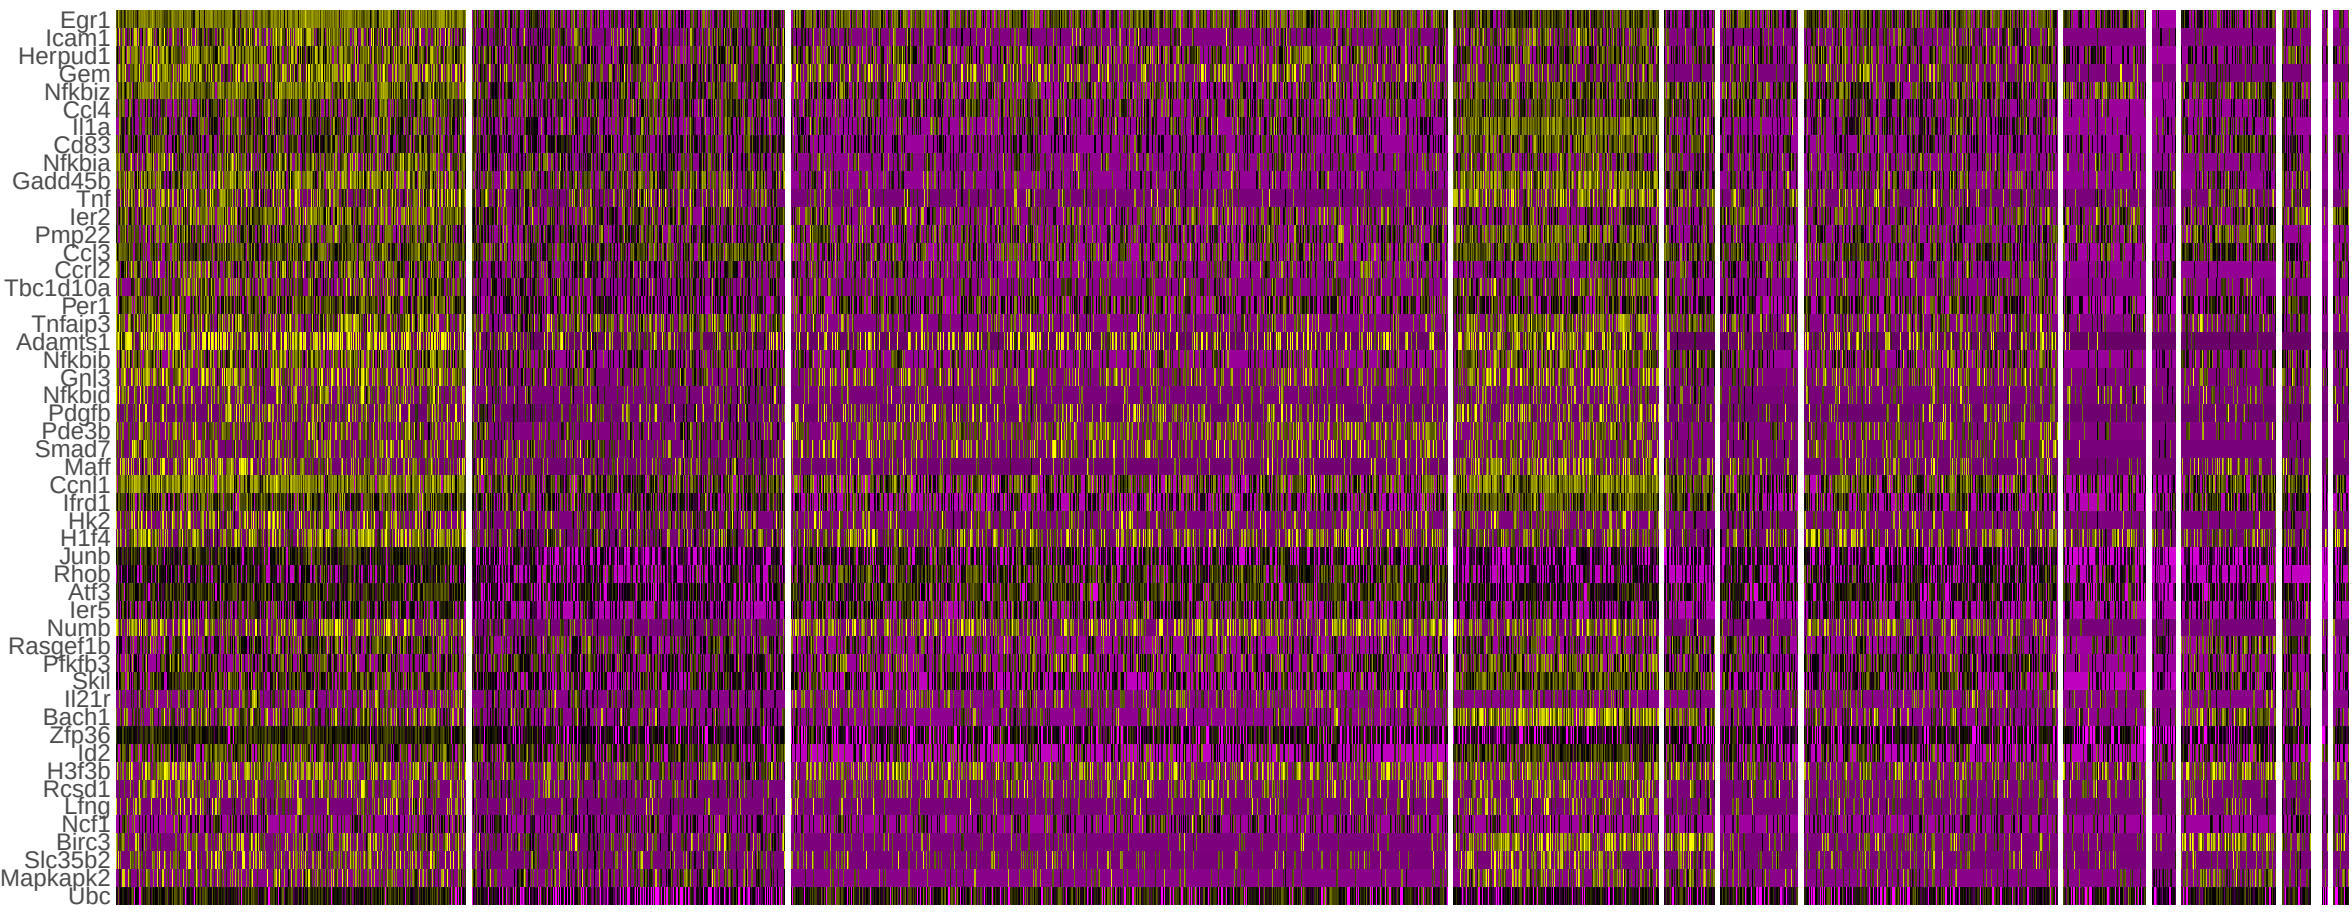

Lipid-associated TAMs

Perivascular macrophages

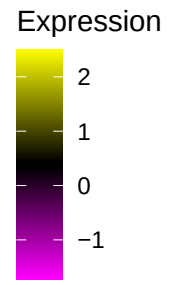

Antigen-presenting monocytes

Inflammatory monocytes

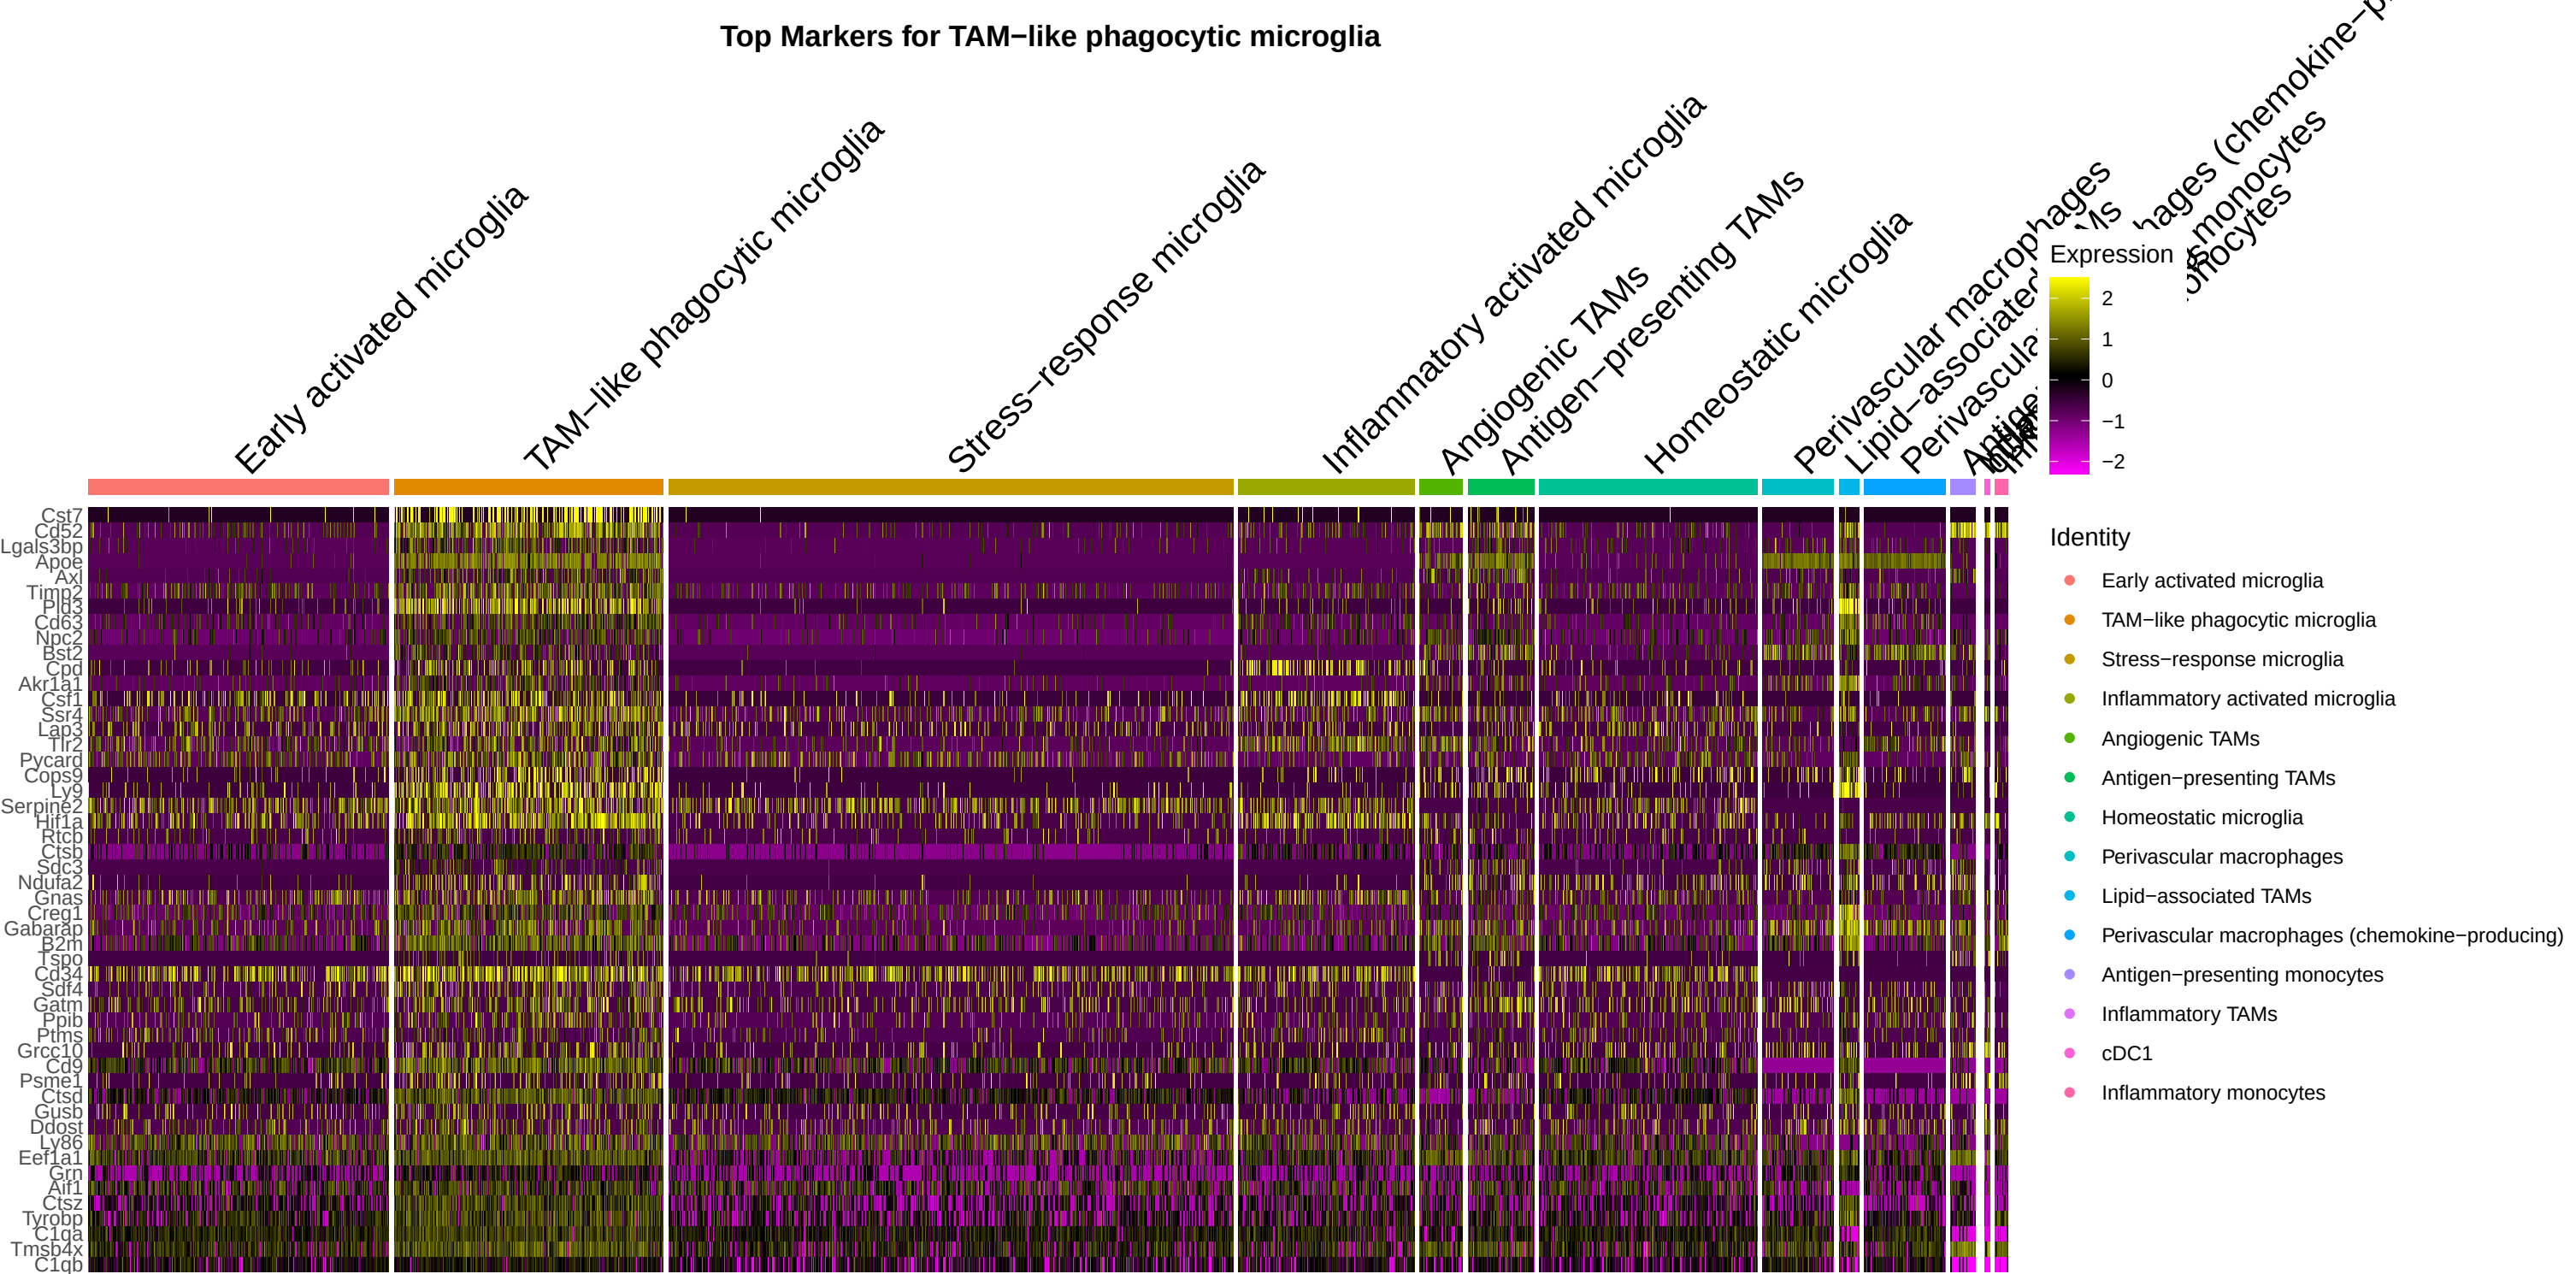

Perivascular macrophages (chemokine-producing)

- Identity
- Early activated microglia
 - TAM-like phagocytic microglia
 - Stress-response microglia
 - Inflammatory activated microglia
 - Angiogenic TAMs
 - Antigen-presenting TAMs
 - Homeostatic microglia
 - Perivascular macrophages
 - Lipid-associated TAMs
 - Perivascular macrophages (chemokine-producing)
 - Antigen-presenting monocytes
 - Inflammatory monocytes
 - cDC1
 - Inflammatory monocytes
